TECHNICAL SKILLS

- Programming: Java, Python, C# (basic)
- Web Development:** HTML, CSS, JavaScript, Bootstrap, PHP, Laravel
- Mobile Development:** React Native, Flutter
- Database:** MySQL, MongoDB
- Tools:** Visual Studio, Git, GitHub, Docker, XAMPP, Figma, Unity
- Design & Media:** Photoshop, After Effects, Premiere Pro, Canva

EDUCATION

2023- Present

Bachelor of Information Technology (Fatoni University, Thailand)

- **GPA:** 3.96

2020 - 2022 (Four semesters, transferred)

Bachelor of Computer & Science (Umm Al-Qura University, Saudi Arabia)

- **GPA:** 3.84

SOFT SKILLS

- Problem Solving
- Communication
- Team Collaboration
- Continuous Learning
- Research Skills
- Work Ethic

LANGUAGES

- English
- Arabic
- Malay

PROJECTS

Mobile App for Children with Autism

Student Project — 2025

- Developed a supportive mobile app for children with autism featuring visual learning tools and simple communication interfaces.

Full-Stack Web Development Internship — vanness plus consulting

Intern Developer — 2025 (2 months)

- Gained hands-on full-stack experience: modern CSS, multiple JavaScript frameworks, and diverse databases. Completed a full small project from start to finish.

ALREACH International Program - Malaysia

Participant — 2025 (1 week)

- Developed an AI recycling-detection system using computer vision and led a 2-day workshop teaching AI, robotics, and sustainability to middle-school students.

Hotel Management System (Admin & Visitors)

Student Project — 2024

- Built a full Laravel hotel system with booking, reviews, admin control, and automated email features.

AI Laptop and Phone Price Prediction Website

Student Project — 2024

- Created an ML website predicting laptop and phone prices for e-commerce use.

Documentary Video - Kuwait Building (FTU)

Student Project — 2023

- Created a complete documentary video including scriptwriting, filming, and editing.

Tas-heel Airport Car Booking System

Group Student Project — 2022

- Built a Java airport car-booking system with worker and admin features.

CERTIFICATE

OF PARTICIPATION

This certificate is presented to

Miss Hana Samah
(662431012)

for participating in the

AI & ROBOTICS EDUCATION FOR APPLIED COMMUNITY HUB

organized by
UNIVERSITI KELANTAN MALAYSIA (UMK)

on 2nd- 8th NOVEMBER 2025

at UMK City Campus

A handwritten signature in black ink, appearing to read "Hasyliya".

Assoc. Prof. Ts. Dr. Hasyliya Karimah binti Adli

Dean

Faculty of Data Science and Computing (FSDK)

L'AVVOCATO DI UNA SQUADRONE

Miss Hana Samah
